PRICES:

We have established a two-tiered pricing structure, to make our programs affordable for a variety of buyers with differing budgets and audiences, and to provide appropriate rights. If you have any questions, please contact us.

TIER #1: INSTITUTIONS: For formal use in colleges, universities, libraries, businesses, government agencies and other institutional settings. This tier includes limited public performance rights.

TIER #2: INDIVIDUALS AND NON-PROFIT GROUPS: For informal use by individuals, economic development professionals, community-based organizations, churches and elementary and high school teachers.
